MINUTES OF THE PRELIMINARY MEETING OF JOINT CONSULTATIVES MACHINERY OF KENDRIYA VIDYALAYA SANGATHAN HELD ON 7-3-1988

The preliminary meeting of the Joint Consultative Machinery of Kendriya Vidyalaya Sangathan was held on 7th March, 1988 in Shastri Bhawan, New Delhi. The following were present :

A. Shri Y. N. Chaturvedi Vice-Chairman, KVS	Chairman
B. *Representatives on the Official side*	
1. Sh. L. S. Narayanan, Finance Member, KVS	Member

2.	Sh. L. K. Kakkar, Dir. (T & C), Min. of Defence	Member
3.	Dr. R. C. Sharma, Commissioner, KVS	Member
4.	Sh. L. R. Mal, Jt. Commissioner (Admn.) KVS	Member
5.	Sh. Puran Chand, Dy. Commissioner (Admn.), KVS	Member-Secretary

C. *Representatives on the staff side*

1.	Rashtriya Kendriya Vidyalaya Adhyapak Sangh (RKVAS)	(1) Sh. S. S. Jayas, General Secretary
		(2) Sh. Jagat Singh, Dy. General Secretary
2.	KVS Staff Association	(1) Sh. P. S. Sharma, President.

The represenatives of the Kendriya Vidyalaya Non-Teaching Staff Association, viz., Shri M. Sadanandan and Shri B. S. Nagrajarao did not attend. AIKVTA has not so far nominated its two representatives. Lt. Col. E. V. Krishnan could not attend the meeting due to other engagements.

The Chairman, at the outset, indicating the broad features of the scheme of JCM pointed out that the JCM had been set up with the object of building harmonious relations and promoting cooperation between the Sangathan, in its capacity as employer and the general body of the employees. He advised both the sides to implement the scheme in its proper spirit with a view to enhancing the welfare of the employees of the Sangathan and improving the efficiency of the working of the K.V.S. He further stated that the preliminary meeting had been convened primarily to finalise the procedure for the conduct of the business of JCM as provided in the scheme of JCM, approved by the Board of Governors.

The Chairman further clarified that the basic scheme of JCM had been drawn on the basis of the guidelines provided by the Department of Personnel & AR and it was not within the competence of the council to change the basic structure of the scheme and the matters which would come under its purview. The council should, however, adopt its procedure for conduct of business keeping in view the rules approved by the Board of Governors. Modifications, if necessary, could be suggested in the rules so far as procedural matters were concerned without any change in the basic structure of JCM. After detailed discussions it was agreed that Joint Commissioner, KVS would convene a meeting of the representatives of the association nominated on the JCM and work out an agreed procedure, with points of difference if they remain, and this procedure should be put up for consideration in the next meeting.

Some members of the staff side drew attention to the following provisions in the scheme of JCM:

> 'Subject to final authority of Board of Governors of Kendriya Vidyalaya Sangathan agreements reached between the two sides of the council will become operative.'

They pointed out that in view of the over ridding authority given to the Board of Governors of KVS, the setting up of the JCM would have no meaning. Chairman explained to the council that the above provision has been made keeping in view the similar provision in the scheme of JCM as being implemented by the various Ministries in the Government of India. In view of this, it may

not be possible to modify the scheme and the Board of Governors would have the final authority for the implementation of the agreements reached between the two sides of the council. For successful implementation of the JCM there has to be an acceptance of mutual trust between the two sides and if the scheme is implemented in its proper perspective, there should be no difficulty in the two sides coming to an agreement on many important matters.

The representative of the KVS staff Association (Hqrs) pleaded for the allocation of two seats on the council to his association as against one, as the entire staff of the KVS Staff Association (HQ) are on the roll of this association and there is no other association for the staff of the Kendriya Vidyalaya Sangathan (H.Q.). Chairman indicated that providing additional representation to the KVS Staff Association would mean enhancing the membership of the official side also and is likely to raise demand from other associations for enhancing their representation on the council. However he desired the Sangathan to consult the Department of Personnel and AR and with regard to additional representation to KVS Staff Association after a formal proposal is made by the Association.

Chairman requested the association to elect their leader and Secretary as provided in the scheme of JCM and initimate their names to the KVS well in time before the next meeting of the JCM.

The meeting ended with a vote of thanks to the Chair.

THE MINISTER OF STATE IN THE MINISTRY OF HEALTH AND FAMILY WELFARE (KUMARI SAROJ KHAPARDE): Injection sodium antimony gluconate is used a first line of treatment of Kala-azar cases.
